## Cherry Pie Day

### Cherry Pie Day

It is so very important that homeschoolers keep a strong presence in Springfield and Cherry Pie Day is one way we do that.

We will gather at the iWorship Center on the evening of May 16th for fellowship.

Cherry Pie Day is on the 17th. To see the full schedule, [click here](#)

We encourage families and support groups from throughout the state to bring Cherry Pies to the capitol. Although the event is FREE, please register so we know how many Cherry Pies we need.

This year Cherry Pie Day has grown into a two-day event in order to provide more opportunities for homeschoolers to attend. The dates are May 16 and 17. Here is the link to the ICHE page:  
<http://www.iche.org/events/7217/05-16-2017/2017-iche-legislative-days>

Their goal is to provide 220 pies for our legislators, and SCCCHE has always provided the bulk of those pies. Currently we are at 29. Here are the ways you can get involved:

- Make pies to send. (Cherry pie only – no other flavor or kind of pastry)
- Hire someone to bake pies on your behalf (Peterson kids are willing - \$5/pie)
- Offer to bake pies on the behalf of others
- Help collect pies to be taken up to Springfield
- Take pies up to Springfield and help distribute them to the legislators
- Consider donating to ICHE (see link above)

Josh Peterson is coordinating the pie delivery for SCCCHE, so please direct all your communications to him. [sczcze@gmail.com](mailto:sczcze@gmail.com), or call/text 618-806-5674.

Additional notes: Flat-rate boxes from the P.O. are a perfect size for pies, and they are free!

## Crazy Idea

---

## **Crazy Idea**

One of the purposes of our group is to encourage people (especially Christians) to consider home education for their children. Sometimes the general public doesn't get much information or exposure to the idea, so I thought perhaps there might be an easy way to reach out to a large number of the general populace about home education.

What about having a parade float in some of the upcoming parades in the local towns? I have two different size trailers which could be used, and we could hand out to the crowds some nifty treats and information about home education, with links to helpful websites (including ours).

Would anyone be interested in coordinating such a thing? You would need to solicit donations (and I'm sure we could provide some from the SCCCHE coffers), come up with a catchy theme, get helpers to decorate, people to be in the parades, and register for the parades, and perhaps other tasks as well.

If anyone is interested or has some further ideas on this, please contact Josh Peterson at [sccche@gmail.com](mailto:sccche@gmail.com) or 618-806-5674.
